Due to the extensive opportunity for public comment, both written and at statewide meetings, on hunting, fishing and trapping regulations, and as a matter of equity for citizens who cannot attend the commission meetings, when making final decisions on hunting, fishing and trapping regulations, the Commission will not open public comment unless a significant amendment to the tentative proposal is brought forth by the department. Any comment taken will be limited to the amendment only.

Montana Fish, Wildlife & Parks ensures its meetings are fully accessible to persons with disabilities. To request special accommodations relative to a disability, contact Regena Peterson at 444-3186.
